

## ROUTE 2 - DESIGN & MAKERS M4H AREA

Discover the energy of makers at *Keilecollectief* and the development of the old port area. You will see plenty of art and design at *OBJECT* and *Jewel Rotterdam*. Look behind the scenes of the monumental building of *STEUR* and meet artists and their works at *Kunst and Complex's* open studios. *Huidenclub* presents a group exhibition highlighting the intersection of art and craft. Don't miss *Brutus*, a brand new artist-driven playground where makers have complete freedom to experiment. + Visit the historical 'Delfshaven' for *Jungle Gym* and go to the Schiemond area for the pop-up *Satu Gallery*.
